AGFR GOLF TOURNAMENT - NEWCASTLE 2016

MAJOR SPONSOR

Happy New Year everyone. May is zooming up quickly.

After a small scare with the AGFR Website being down from the 6th to the 17th January, all is now good. Just go to <http://agfr2016.wix.com/golf-2016> and follow the links to register.

Remember that the Early Bird Draw is only for participants who are paid up in full by the 28th February so you only have just over a month to go to have a chance at having your registration fees paid back to you in full.

Following on from previous newsletters we now will give you a bit more information regarding the Non Golfer Tour of Port Stephens.

Basically the Flyer on the AGFR Website says it all however we are including a few location shots of Nelson Bay Marina, Shoal Bay and Fingal Bay Surf Life Saving Club where you will have lunch. This area is our leisure paradise and I would suggest that if you are looking to extend your tour this is an area well worth staying for. The area is about 30 minutes from Pacific Dunes but there are many apartments that face the sea or the vast waterways surrounding Nelson Bay that you might like to investigate.

Go to <http://www.portstephensaccommodation.com/holiday/AGFR> and you will see many seaside apartments plus apartments on Horizons Golf course that could be ideal for that extended stay.

The Oaks Resort Salamanda Bay

Aerial shot of Nelson Bay

Fingal Bay Beach

Nelson Bay Marina

Camel rides at Anna Bay

The Mantra Aqua Resort

Horizons Golf Resort

Just another few reasons why you shouldn't leave registering for the AGFR Tournament at Pacific Dunes in May any longer.

See you in May.

Bill Pitt
Tournament Director
