## Another reason why you should be here.

Our last but certainly not least Non Golfer tour covers a visit to the old Maitland Gaol which housed some of the states most hardened criminals. It is well worth the visit, however, if you are not into Goals then the Maitland Art Gallery awaits you.

The quaint village of Morpeth which is full of wonderful antique shops, cafes, pubs and galleries. Either way you will enjoy yourselves spending your time soaking up the atmosphere of this quaint village.
