### Eric & Marie Lown

“Our initial AGFR was at Victor Harbour in 2010, we were hooked and have attended most events since.

A standout tournament for Marie and I was Alice Springs in 2019. The red centre was on our “bucket list” and here was an opportunity to visit with a week of fun, fellowship, golf, and exploration thrown in.

The golf course was a huge surprise, green, quite challenging and some red dust thrown in as well. The backdrop of the McDonnell Ranges around Alice was just awesome. To experience and appreciate the indigenous culture of the area was a great privilege. Flies were part and parcel of most things we did, but they did go home at night.

Many Rotarians stay on after a tournament and we were no exception. Travelling to Uluru and Kata Tjuta National Park, climbing Kings Canyon and dinner under the stars with the “Field of Lights” exhibition, made this, combined with the AGFR an incredible experience for us both!

We both agree an AGFR event truly embodies the “Family of Rotary” down to a Tee!” *(Eric is joint chair of AGFR 2022)*

The AGFR committee is working hard to have everything in readiness for next March. (below) is the players shirt. To determine your correct size, refer to the chart on the AGFR Web Site, as some Manufacturer’s sizes vary. **Ladies have fitted shirts** as per Web Site.
