

45th A.G.F.R. Tournament

26 March – 31 March 2023

Final Newsletter July 2023

G'day,

You will recall our fund-raising goal from the 45th A.G.F.R. Tournament was to supply and install All Accessible Play Equipment for children with disabilities at Spencer Park, Merimbula.

We are thrilled to announce that the Carousel has now been installed. It looks very smart in its Rotary colours. There is a new concrete path leading from an accessible parking space to the carousel straight onto the multi-coloured soft fall surface. The kids are already enjoying this facility.

We wish every success to the hosts, Ascot Satellite and Busselton Geographe Bay Rotary Clubs and golfers for the 46th Australian Golfing Fellowship of Rotarians Tournament to be held in Busselton, Western Australia from 14 to 19 April 2024.

Best wishes from the 45th AGFR Committee – we hope to see you back at the Tura Beach Country Club some time soon.
